

The 9th International Congress of Asian Society of Toxicology (ASIATOX-IX) Second Announcement

We are pleased to formally announce **the 9th International Congress of Asian Society of Toxicology (ASIATOX-IX)** will be held, in conjunction with the **8th CST Youth Forum of Science and Technology**, in October 20-23 in Hangzhou, China. The theme of the congress is “The Asia Toxicology in Big Data Era: from Public Health to Environmental Safety”. It will be held in a combination of virtual and on-site, and all delegates from mainland China will attend the congress on-site.

International Congress of Asian Society of Toxicology is an important international academic conference launched by Asian Society of Toxicology (ASIATOX). The purpose of ASIATOX is to foster scientific co-operation in Asia area and promote the progress in toxicological science and technology in the region, in particular by sponsoring the international congress of ASIATOX. Up to 2018, eight times of international congress of ASIATOX has successfully been held. Due to the COVID-19 pandemic worldwide, The 9th International Congress of Asian Society of Toxicology (ASIATOX-IX) was postponed from September 23-26, 2020 to October 20-23, 2021, due to the COVID-19 pandemic worldwide.

As an important academic event and professional conference in toxicology and related fields, ASIATOX-IX will provide an excellent platform to promote the prosperity of toxicology and the development of toxicology science & technology, and foster the scientific cooperation in Asia, pacific region and the world. The congress will proceed through the series of the keynote and plenary lectures, symposia/ workshops as well as poster presentations. Many distinguished toxicologists and leading researchers will be invited to give lectures on the cutting-edge science & technology in toxicology and related areas. The congress academic activities of ASIATOX-IX will cover the latest research progress, frontier theory and technology, and future scientific development prospective in various aspects of toxicology.

You are warmly welcome to attend the ASIATOX-IX, and we look forward to seeing all of you in 2021 in Hangzhou, the best season and beautiful city in China. You are also warmly welcome to register and participate the Congress virtually.

Organizers

Asian Society of Toxicology

Chinese Society of Toxicology

Co-organizer: College of Pharmacy of Zhejiang University and Zhejiang Society of Toxicology

Congress Date and Venue

Date: October 20- 23, 2021

Schedule outline:

October 20	Registration, Exhibition Set-up from later afternoon
October 21	Morning: Opening Ceremony, Keynote and Plenary Lectures
	Afternoon: Symposia & Workshops
