

**ASIATOX**  
Hangzhou 2021

## The 9<sup>th</sup> International Congress of Asian Society of Toxicology (ASIATOX-IX) Third Announcement

We are pleased to announce that the preparations for 9<sup>th</sup> International Congress of Asian Society of Toxicology are going very smoothly, the congress is going to be held as planned on 20-23 October 2021, in a combination of virtual and on-site in Hangzhou, China. ASIATOX-IX will be organized in conjunction with the 8th CST Youth Forum of Science and Technology. The theme of the Congress is “**The Asia Toxicology in Big Data Era: from Public Health to Environmental Safety**”. Due to the situations of COVID-19 pandemic and the uncertainty of international travel, the delegates from outside mainland China will join in the congress online, which will be connected through ZOOM Meeting system. The Organizers, Chinese Society of Toxicology and Asian Society of Toxicology are warmly welcome you to register and participate in the Congress either on-line or on-site in Hangzhou, China.

### ■ Congress Lectures

The congress will proceed through a series of plenary lectures, symposia/ workshops as well as poster presentations. Many distinguished toxicologists and leading researchers will be invited to give lectures on the cutting-edge science & technology in toxicology and related areas.

#### 1. Plenary Lectures

	<p><b>Prof. Tetsuo Satoh</b> <i>Chiba University, Chiba</i></p> <p>Toxicology in Asia-Past, Present, and Future</p>		<p><b>Dr. Li-Jie Fu</b> <i>The Chinese Society of Toxicology, Beijing</i></p> <p>Certification and Recognition of Toxicologists in China</p>
	<p><b>Prof. Feng-Cai Zhu</b> <i>Jiangsu Provincial Center for Disease Control and Prevention, Nanjing</i></p> <p>The Progress of Clinical Trials of COVID-19 Vaccine</p>		<p><b>Prof. Zhong-Ze Gu</b> <i>School of Biological Science and Medical Engineering, Southeast University, Nanjing</i></p> <p>Human Organs-on-a-chip: a New Trend of Toxicity Testing Alternatives</p>

 <p><b>Prof. Yoshito Kumagai</b> <i>Faculty of Medicine, University of Tsukuba, Tsukuba</i></p> <p>Adaptive Response and Protection against Electrophilic Stress</p>	 <p><b>Prof. Hoonjeong Kwon</b> <i>Department of Food and Nutrition, Seoul National University, Seoul</i></p> <p>Evolution of Food Risk Assessment: From Public Policy Making to Personal Healthy Choice</p>
 <p><b>Prof. Meei-Ling Sheu</b> <i>College of Life Sciences National Chung Hsing University, Taichung</i></p> <p>Advanced Glycation End Products and Diabetic Retinopathy: The Possible Molecular Mechanisms Involved in Angiogenesis Effects</p>	 <p><b>Dr. Lalit Verma</b> <i>Director, Non-Clinical safety Data Sciences R&amp;D at Janssen.</i></p> <p>Data driven candidate-drug safety assessment in large pharma – challenges and opportunities</p>

## 2. Session Topics of Symposia/Workshops/Forums

The congress will also proceed with a series of attractive sessions of symposia, workshop and forums, the sessions' topics are as following list.

<ul style="list-style-type: none"> <li>■ ICH M7 Principals and Nitrosamines</li> </ul>	<ul style="list-style-type: none"> <li>■ Reproductive and Developmental Toxicology</li> </ul>
<ul style="list-style-type: none"> <li>■ Clinical Toxicology</li> </ul>	<ul style="list-style-type: none"> <li>■ Organ Chips and Organoids in Toxicology</li> </ul>
<ul style="list-style-type: none"> <li>■ COVID-19 Vaccines and Therapeutics: from Industry to Regulatory Perspectives</li> </ul>	<ul style="list-style-type: none"> <li>■ Predictive and Computational Toxicology</li> </ul>
<ul style="list-style-type: none"> <li>■ Nonclinical Safety Testing Strategy of Novel Therapies</li> </ul>	<ul style="list-style-type: none"> <li>■ Alternative Toxicity Testing</li> </ul>
<ul style="list-style-type: none"> <li>■ Chemical Stewardship through Sustainability Lenses</li> </ul>	<ul style="list-style-type: none"> <li>■ Nanotoxicology</li> </ul>
<ul style="list-style-type: none"> <li>■ Toxicology &amp; Epigenetics Biomarkers and Cancer</li> </ul>	<ul style="list-style-type: none"> <li>■ Gut Microbiota and Toxic Effects of Pollutants</li> </ul>
<ul style="list-style-type: none"> <li>■ The 8<sup>th</sup> CST Youth Forum of Science and Technology (On-site only)</li> </ul>	<ul style="list-style-type: none"> <li>■ Forum on Respiratory Toxicology (On-site only)</li> </ul>
<ul style="list-style-type: none"> <li>■ Forum on Veterinary Toxicology (On-site only)</li> </ul>	<ul style="list-style-type: none"> <li>■ Workshop of Zhejiang Society of Toxicology (On-site only)</li> </ul>

### 3. Oral presentation

All oral presentations from outside of Mainland China will be Video pre-recorded, with a real-time introduction and open discussion. Speakers are required to submit the digital file of their recorded video presentations to the congress secretariat (Email: [cst@chntox.org](mailto:cst@chntox.org)) prior to the deadline, **8 October 2021**. A technical instruction on how to record using PowerPoint and submit will be sent to the speakers via email, along with a formal Invitation Letter soon after.

#### ■ Congress Schedule Outline

<b>October 20</b>	Registration, Exhibition Set-up from later afternoon (18:00 pm)
<b>October 21</b>	Morning: Opening Ceremony, Plenary Lectures
	Afternoon: Symposia, Workshops & Forums
<b>October 22</b>	Symposia, Workshops & Forums
<b>October 23</b>	Morning: Plenary Lectures & Closing Ceremony

#### ■ Congress Awards

The Congress Committee will select excellent paper and poster awards at the Closing Ceremony. The Award Certificate will be issued by the ASIATOX and the CST, and/or other sponsoring Societies.

The Chinese Society of Toxicology will also award its awards and certificates including "CST Outstanding Contribution Award on Toxicology", "CST Alternative Toxicology Development Award", "CST Campus Science Popularization Competition Award", and present Diplomat of Certified Toxicologist, CST.

#### ■ Registration

##### 1. The participants are required to register the congress online.

The conference website has already opened the online registration.

The congress website: <http://www.asiattox2020.com/en>

Registration types	Early-Bird (By August 31)	Standard (After September 1)
<b>Regular Offline on-site participant</b>	\$ 450 USD	\$ 500 USD
<b>Student Offline on-site participant</b>	\$ 200 USD	\$ 240 USD
<b>Online participant</b>	\$ 260 USD	

## 2. Registration payment

1) Online payment on conference website: <http://www.asiatox2020.com/en> After logging into the conference system, you can pay your registration fee online.

2) For bank transfer, the detail as:

---

Name of Account Holder	Chinese Society of Toxicology
Street Address of Account Holder	27 Taiping Road, Haidian District, Beijing 100850, P.R China
City, Postal Code, and Country	Beijing, 100850, China
Bank Account Number	<b>0200004909014450531</b>
Bank ID, e.g. Clearing Number or Sort Code (for all other residents)	049
Swift Code	ICBKCNBJMJM
Bank Name	Industrial and Commercial Bank of China, Yongding Road Sub-branch
Bank Address	27 Taiping Road, Haidian District, Beijing 100850, P.R China
Bank City, Country	Beijing, China
VAT or Individual Tax ID	51100000500015487P
